

Wawona Frozen Fruits Offers Full Menu of California Grown Fruit Products for Schools

Serving locally grown fruits at your school is a great way to educate our youth about eating healthy, nutritious foods that are grown in California.

Wawona Frozen Fruits has fresh frozen fruit products which qualify for **additional funding** in California as part of the Farm-to-School meal program, such as "California Thursdays."

Wawona's Frozen Fruit Products, which include peaches and strawberries, offer **significant benefits and savings** for School Districts:

-  Ready-to-serve – no cutting, peeling, pitting
-  No food waste – use what you need and reseal
-  Fruit picked at peak ripeness – highly nutritious & flavorful
-  Available year 'round
